

autumn

The word "autumn" is written in a playful, rounded font. The letters 'a' and 'u' are orange with a 3D effect and contain small brown hedgehogs. The letters 't', 'o', 'n', and 'e' are black. The letters 'm' and 'n' are yellow and are positioned over a large, vibrant autumn leaf with orange and red hues. The leaf has a brown stem and a soft shadow beneath it.
